PROTECTION AND MOUNTAIN VISIBILITY

SMITH Preview Goggle

Big view, strong contrast, and the kind of clarity that helps you read terrain faster when conditions get spicy. When light goes flat or storms roll in, good optics are more than comfort - they're a performance and safety upgrade. 208.

smith.com

SMITH Vantage 2 Mips
A confidence upgrade for resort days and storm laps – comfort-forward fit plus proven impact protection tech. This is the helmet you forget you are wearing (in a good way), with a dialed feel that helps you stay focused when weather and visibility are not cooperating. 295.

SMITH X Kinco Gloves

The SMITH x Kinco collaboration mitten is engineered for those who demand performance and protection on the slopes. This mitten design features a durable pigskin leather exterior and Otto™ striped cotton-canvas blend for style and breathability. Elevate your mountain experience with a blend of functionality, comfort, and iconic design from two trusted outdoor brands. 50.

VALLON Howlin Sunglasses
A clean lifestyle silhouette with performance intent - built for travel days, bright commutes, and post-session hangs. The kind of pair that looks right everywhere but still holds up when the light gets harsh. 129.
vallon.com

SMITH Sliders
Retro in the best way, updated for modern light. A fun gift that still delivers real-world utility - perfect for lift lines, parking lots, spring laps, and bright winter road trips when glare is nonstop. 197.

EVERYDAY STAPLES WITH LONGEVITY

ROYAL ROBBINS Women's Clouds Rest Hemp L/S
A durable basecamp-essential button-up that gets better with time - the kind of shirt people keep for years. Easy to layer, comfortable all day, and built for travel, camp, and daily wear when you want something reliable. 115.
royalrobbins.com

ROYAL ROBBINS Women's Madera L/S
Lightweight, breathable, and built for travel, layering, and daily wear with a soft feel. An easy "throw it on and go" piece that works in sun, shade, and everything in between. 65.
royalrobbins.com

ROYAL ROBBINS Men's Amp Lite II
An ultra-light performance layer option with mobility built in and added mosquito protection for shoulder-season travel. Great for trips where you want something that breathes, moves, and packs small without feeling flimsy.
royalrobbins.com

ROYAL ROBBINS Men's Vogelsang L/S
Tech flannel comfort with moisture management - a solid piece for variable temps and high-output days. Looks casual, performs better than it should, and fits right into travel, camp, and everyday winter wear. 100.

FOOTWEAR AND UNDERFOOT UPGRADES

STIO Men's Colter Tall Boot
Winter-ready coverage for cold mornings, slushy errands, and travel days where you want warmth without fuss. The tall profile adds protection, and the comfort factor makes these an easy daily choice when winter gets messy. 199.
stio.com

SUPERFEET Run Pacer Elite
A high-performance insole pick that makes a noticeable difference for anyone logging miles - running, travel, or long days on their feet. This is one of those "small upgrade, big payoff" additions that can make good footwear feel even better. 95.
superfeet.com

STIO Women's Ridgecap Low
A capable all-terrain option that's equally at home on the trail and around town. Lightweight feel with serious traction - a great pick for travelers and hikers who want one shoe that handles winter shoulder season and everyday miles. 159.
stio.com

BAGS, DUFFELS, AND TRAVEL ORGANIZATION

GREGORY Alpaca Wheeled Duffel 40L
A compact roller for quick missions and clean packing - a perfect "practical gift" that still feels premium. Ideal for weekend trips, carry-on style travel, and those winter runs where you want durable gear organization without overpacking. 229.
gregory.com

STIO Basin XT Carryall
The grab-and-go carry solution for gym, travel, basecamp, and gear pile containment. Simple, durable, and endlessly useful - the kind of bag you keep in rotation because it solves daily chaos fast.99.
stio.com

VIKING Explorer Adventure Touring Backpack
A rugged ADV-ready backpack built for variable weather and real use - an easy win for moto and travel-minded friends. Built for being tossed, packed, and actually used in rougher conditions (not just a "commuter backpack" life).94.
viking.com

ADVENTURE UPGRADES

Viking Apex Ducati ADV Touring Tank Bag with Hydration Pack

A smart ADV touring add-on that keeps essentials within reach and adds hydration without hassle. Perfect for winter road miles and long days where stopping is inconvenient - organized storage up top, plus the hydration pack for real-world ride efficiency. 162. viking.com

Kicker BF100 Bluetooth Music System

For anyone who wants big sound without babying their gear. The Bullfrog BF100 is a tough, grab-and-go Bluetooth speaker built to handle road trips, tailgates, and backyard sessions with loud, clear 360° vibes. Once it's in the mix, it gets used constantly. No sh**t. \$129. kicker.com

KICKER Power Bars

These weather-proof, six or ten speaker KICKER PowerBars are at home on your UTV, boat or even your GolfCart. Covered in tough, powder-coated aluminum, the KICKER KPB PowerBars include your choice of four or eight mid-woofers and two titanium tweeters that fire up the outdoors. Starting at \$599. Kicker.com

Well there ya' go, fellow Revoltanians!
